

The Mayor's Alliance Recognition Nomination Form

The Mayor's Alliance advocates and identifies community resources to secure employment for people with disabilities and recognizes those who fulfill that ideal.

At the bi-monthly breakfast, The Mayor's Alliance acknowledges employees with disabilities who have successfully achieved consistent employment; their employers, and assisting agencies, if any, who have helped them to achieve their employment goals. We welcome nominations from employers, customers, and The Mayor's Alliance members who are aware of successful candidates.
